

imperialist and hegemonist aggression, sabotage and armed provocations,

Article 4 All ethnic groups of the People's Republic of China are equal. The state shall protect the lawful rights and interests of all ethnic minorities and uphold and promote relations of equality, unity, mutual assistance and harmony among all ethnic groups. Discrimination against and oppression of any ethnic group are prohibited; any act that undermines the unity of ethnic groups or creates divisions among them is prohibited.

The state shall, in light of the characteristics and needs of all ethnic minorities, assist all ethnic minority areas in accelerating their economic and cultural development.

All areas inhabited by ethnic minorities shall practice regional autonomy, establish autonomous organs, and exercise the power to self-govern. All ethnic autonomous areas are inseparable parts of the People's Republic of China.

All ethnic groups shall have the right to develop their own culture and language, and to use their own script.

system under which distribution according to work is the mainstay, while multiple forms of distribution exist alongside it.
